

# 'Single Bicycle & Pump Rack – Premium Plus' Assembly Guide

## Parts

 <p>1 × Part A</p>	 <p>1 × Part B</p>
 <p>4 × Part C</p>	 <p>2 × Part D</p>
 <p>2 × Part D</p>	

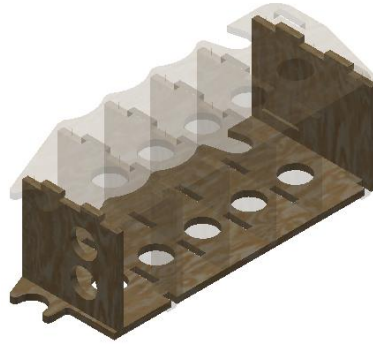

## Instruction Guide

It is optional to reinforce parts together using wood glue or screws. Markings are made on the wood to ensure any pilot holes drilled may be done accurately.

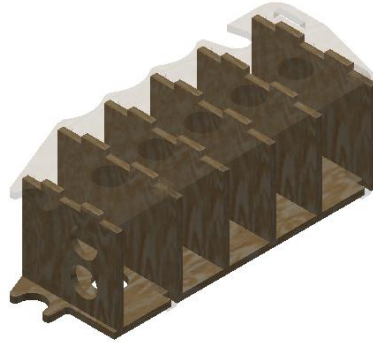

Starting Point

Step 1  
Slot Part A in the top slots and Part B in the bottom slots of a Part D

Step 2  
Slot the Part Cs in the remaining slots of Part D

Step 3  
Slot the other Part D into the other side of Parts A, B and C

Step 4  
Slot both of the Part Es into both Part Ds

Step 5  
Mount your Bike Rack onto a wall using mounting brackets (brackets not provided)
